

Snow Service Technician

We are looking for people with a common goal and commitment to help build our company while at the same time restoring and enhancing the environment. We are a dynamic and fast-growing company with high standards, defined values, and a passion for land stewardship. If you are looking for a career or a platform to build your professional experience, this job is for you.

Job Description:

EC3 is looking for reliable workers for the snowplow season. Experience preferred but not necessary. Must have the ability to lift up to 50 lbs. Snow service operations are based out of our Verona, WI shop and service the greater Dane County area. Potential for carpooling or transportation is available.

Hours are dependent upon weather. Additional part-time and full-time work opportunities in our landscaping, lawn care, tree work, and restoration divisions are available in spring for those working through the winter season.

Responsibilities include but not limited to:

- Safely and thoroughly clear sidewalks, driveways, and other surfaces using snowplows, bobcats, shovels, leaf blowers, and other snow removal equipment as needed.
- Monitor weather conditions and respond promptly to snow removal requests.
- Ensure safe operation of snowplow equipment and adherence to all safety protocols.

Job Experience:

The qualified candidate will be self-motivated, proficient at multi-tasking, able to work in a fast-paced environment and possess great organizational and communication skills. **MUST** be a team player!!

Required:

Experience preferred but not necessary.

Must have the ability to lift up to 50 lbs.

Must be able to work outdoors in adverse weather conditions.

Preferred:

Experience operating snowplows, bobcats, deicing equipment.

A valid Driver's license and responsible driving record.

Report to: Landscape Foreman

Oversee: None

Salary: \$18-25/hr and is based on experience and availability
